Managing Your United Airlines Reservation

United Airlines provides comprehensive tools for managing flight reservations before travel.

☎ +1-844-213-73-19 Passengers can access their bookings online or through the mobile app using their confirmation number and last name. Available management options include seat selection, baggage purchases, flight changes, and adding special services to enhance the travel experience. ☎ +1-844-213-73-19

Changing Flight Dates and Times

Reservation changes depend on fare type and ticket conditions. ☎ +1-844-213-73-19 While Basic Economy fares have limited change options, higher fare classes offer greater flexibility for modifying travel dates and times. Change fees and fare differences may apply when switching to different flights, and availability is subject to current inventory on desired routes.

Seat Selection and Upgrades

Seat selection availability varies by fare class purchased. ☎ +1-844-213-73-19 Basic Economy passengers select seats at check-in or pay for advance selection, while other fares include complimentary seat assignments. Preferred seats with extra legroom can be purchased for additional comfort, and United One or First Class upgrades may be available on qualifying routes for premium travel experiences. ☎ +1-844-213-73-19

Adding Services to Existing Reservations

Extra services can be added after initial booking through reservation management.

☎ +1-844-213-73-19 Available additions include checked baggage, Wi-Fi access, premium food and beverage packages, and priority boarding. Adding services in advance often costs less than purchasing at the airport and ensures availability of desired amenities.
